March 2005

THE THIRD ANNUAL HIGH SCHOOL COMPETITION

The 3rd Annual High School Competition has been scheduled for Thursday, April 7th, 2005. There will be four different competitions: Egg Drop, Balsa Bridge, CO2 Car, and Electric Air Vehicle. Rules and an entry form can now be downloaded at the competition web site at: http://www.cbu.edu/engineering/hs_comp_2005.html.

Engineering Alumni: We are looking for judges for these competitions. If you can help, please let us know by sending an email to HSCompetition@cbu.edu.

Engineering Students: We need several volunteers to help at these competitions and direct traffic, etc. If you can help, please contact Mrs. Glenda Emerick at lemerick@cbu.edu.

THE FIRST CBU FACULTY/ STAFF TALENT SHOW

The first CBU Faculty/Staff Talent Show will be on Friday, April 1st. The show will start at 7:00 p.m. in the CBU Theatre. It is FREE to the public and you are cordially invited to attend the show. A book sale and silent auction bidding will start at 6:00 p.m. in the theatre lobby. Donations will be accepted. All proceeds will go to Holy Names Catholic School.

Holy Names is a co-ed Catholic school whose mission is to prepare each of its students for high school, promote spiritual and moral growth, encourage multicultural awareness, and be committed to service of the poor in the tradition of Lasallian schools. The school was established in 2002 using the Miguel School Model. Miguel schools provide a quality education for traditionally underserved students. They reside in communities that encounter the effects of economic poverty, ongoing addiction, and visible violence.

Don't miss this free charitable fun event! See your favorite professors sharing their many talents. Thanks to CBU ASCE Student Chapter for volunteering to help out at the event! For more information, please contact Dr. Malasri at pong@cbu.edu.

MAESC 2005 CONFERENCE

MAESC

Memphis Area Engineering and Sciences Conference

The MAESC 2005 Conference, Engineering Management: Leadership in Engineering Practice & Education, is just around the corner (May 11, 2005). It will be filled with over 40 technical presentations plus almost 20 poster presentations. If you are looking for PDH's, connecting with your technical colleagues, and/or learning the latest in cutting-edge research and practices, this conference is for you. Check the conference web site at: <http://www.cbu.edu/engineering/maesc> for registration information and program details. Sign up early to get a special registration fee.

Don't miss it! This will be another exciting conference. If you have any questions, please send an email to maesc@cbu.edu.

ELECTRONICS LAB OPEN HOUSE

You are cordially invited to attend the Electronics Lab Open House to honor the generous gift from the Bodine Company. The Open House will be on Tuesday, April 26, 2005, from 3 p.m. - 5 p.m. and will include some demonstrations. The lab is located in Saint Benilde Hall. Please RSVP by calling Mrs. Glenda Emerick at 321-3410 or send an email to lemerick@cbu.edu by Tuesday, April 19.

PERFORMANCE EXCELLENCE WORKSHOP

The Master of Engineering Management Program will sponsor a two-day workshop entitled "Using the Malcolm Baldrige Criteria for Performance Excellence." The workshop is to be presented by the Greater Memphis Association for Quality (GMAQ) on April 14-15, 2005, at the City of Memphis Professional Development and Training Center (4225 Riverdale, Memphis, TN 38115).

If you want to explore how your organization can use the performance excellence criteria, not only to survive but also to out-perform your competitors, this workshop is for you! For more information, please contact **Jenny McNary**, Executive Director, GMAQ, at 678-4301 or **Dr. Neal Jackson**, MEM Director, CBU, at 321-3283.

STUDENT NEWS
